the following email was sent to these addresses on 16 09 2002

Dear etc.

I did a search of JOHANEKS on the net and came up with your name.

I am a descendant of the JOHANEKS and have been doing family tree research for years on this family and recently had a cousin from the Czech Republic who wrote me with the information of where and when the JOHANEKS came from in Bohemia.

If this interests you, and if you would like to check out my information, you can go to the following site:

<http://perso.club-internet.fr/seanmc/genJOH.html>

My next goal is to figure out how all of the JOHANEKS in the USA are related. As the name is VERY rare, this should be possible with help from the various members of the family.

If you are NOT interested, but if you know someone in your family who is, can you pass this on to them and have them get in contact with me?

Thanks.

Sean

**In Reply to:** [John Zajic, JR 6/12/1856 Bohemia](#) by Bill of 65 Go

Bill, we have some family connections. John Zajic's mother, Anna Zadina Zajic, married my grandfather, Matej Strobl. (Anna's name is listed as Anna Zadina on Mike Strobl Jr.'s marriage license so don't know if Zalin or Zadina is correct.) Matej and Anna came, along with John Zajic, and their three children, Mary, Frank, and Mike Jr. in 1876 to Webster County, Nebr. (Maybe you

know this.)

My cousin has this info about Vencelaus Zajic: married 1-6-1909 at Red Cloud, Nebr to Elizabeth (Lizzie) C. Kudrna who was born in 1890. One child, female Allie. Elizabeth's parents were Michael (Matej) Kudrna and Dora Hrdina.

Do you have any photos of Anna's family? or info about her family left behind in Czech Republic? I would be interested in having a copy of photo of John Zajic and Mary Smejkal. I have copy of photo of Matej and Anna with Frank and Mike Jr.

Regards.

Researching: JOHANEK, RADIL, PAZDERKA, PASDERKA, JAROLIM, LISA, LISKA, FILIP, MARCAL, ZAJIC, MIRASKY, MIRATSKY

I am looking for information on the families of Wenceslaus and Anna (Radil) Johanek, and Vaclav and Aloisie (Jarolim) Pazderka. Both families settled in Omaha Nebraska in the 1880s. Wenceslaus and Anna had six children: John (Ludmila Marcal), Peter (Marie Lisa), Katrina (Vaclav Filip), Martin (Anna Zajic), George (Mary Theresa), and Anna.

Vaclav and Aloisie had eight children: Frank (Mary Filip), Mary (John Mirasky), James (Frances Johanek), Anna, Joseph, Anton, Charles, Rose (Peter Johanek).
