I was looking at your geneology web page, and have some additions for you. I am not a geneology buff, but I was doing some research on the web about my grandfather, and came across your page. I would like to send you some information about this section:

Warren Shackelton's middle name was Hillis. He passed away on December 4, 2002 in Kearney, NE. His wife's name was Clara Marie Margaret (Gerstenkorn) Shackelton, who passed away in 1987.

They had one child--a daughter, Debra Ann (Shackelton) Murrish (my mother) (b June 14, 1952). My mother married Gary Lee Murrish (b. Oct 16, 1953) on Nov 3, 1973. They have two children: Jeremy Lee Murrish (me b. May 7, 1974) and Hilary LeeAnn Murrish (b. Dec 2, 1977).

I married Sherri Dawn O'Neal (b. Dec 6, 1972) on October 22, 1999.

I hope this helps.

Jeremy Murrish
